## Lady Crusaders Basketball Club

### Kingdom Mission

Kingdom Crusaders and Lady Crusaders Basketball Club's primary objective is to develop a premier basketball club with student athletes whose goals are to excel on the court and off. We will provide an environment for each player to develop and enhance his or hers individual basketball skills. We have lowered the club price to be more affordable so all players can compete at their own commitment level and excel at reaching their goals. Kingdom Crusaders and Lady Crusaders provide a forum for qualified players to display their abilities to college scouts for various national tournaments in order to compete for basketball athletic scholarships and to promote Family values and to develop the spirit of sportsmanship.
